

# THE MANIFESTO OF CONSCIENTIOLOGY

Conscientiology indicates to you a long series of evolutionary postures that turn you into an *elder*, different from the consreus of the robexis and even the conventional scientist. 22 of these postures, from among many others, follow: *Intermissive Course* (IC), innate ideas, *Evolutionary Intelligence* (EI), self-retro-cognitions, *Personal Multiexistential Cycle* (PMC), invexis, *Vibrational State* (VS), penta, lucid epicon, *Principle of Disbelief* (PD), conscientiological volunteering, *Personal Code of Cosmoethics* (PCC), self-permanintfreeness, *Personal Evolutionary Register* (PER), a paraidentity, conscientiological authorship, multiexistential self-relay, pre-intermission, self-offiex, a lucid minipiece of the *Multidimensional Interassistential Maximechanism*, self-tachyrhythmia, self-transaffectivity.

(Formal Manifesto of the *International Cosmoethical Conscientiological Community* – ICCC, of Cognopolis, Foz do Iguaçu, Parana, Brazil, on 22 February 2014, an entry from the work *Lexico de Ortopensatas*).
