## CALL FOR PAPERS

REVISTA CONSCIENTIA - 1<sup>st</sup> ENGLISH EDITION

**Submission deadline: 15 March 2017**

---

### I. EDITORIAL

Conscientia is a technical-scientific journal published by the Center for the Higher Studies of Conscientiology (CEAEC), in Foz do Iguaçu, Parana, Brazil, since 1997. The journal features contributions that spread the Science of Consciousness, which comprises of conscientiology and related themes.

Conscientia's mission is the dissemination of advances in the study of consciousness under a multidisciplinary, holosomatic, bioenergetic, multidimensional, multimillennial and integral perspective. Parapsychic phenomena, states and consciential attributes investigated by self and heteroresearch are this journal's principle interests.

Conscientia was initially designed to expose research carried out by members of the International Cosmoethical Conscientiological Community (ICCC) and is open to all those interested in spreading their investigations, independently of the institutions to which they are affiliated.

### II. INVITATION

Through the partnership initiative between CEAEC and ISIC - Interassistential Services for the Internationalization of Conscientiology - the *Revista Conscientia* (Journal Conscientia) invites researchers of the consciential paradigm to publish their productions on these themes, written entirely in English. The new partnership will also seek to create an annual event, to be disclosed, so research published can be personally presented by the authors.

### III. OBJECTIVES OF THE ENGLISH EDITION

1. Universalize the advances of conscientiological science through scientific communication in a widely spoken international language.
2. Integrate conscientiologists from different countries, gathering research publications in the same journal.
3. Create an international reference in the Science of Consciousness.
4. Disclose neoverpons and conscientiological research.
